**BEFORE
THE PUBLIC SERVICE COMMISSION
OF SOUTH CAROLINA**

DOCKET NO. 2013 - 10 - E

In the Matter of:

Duke Energy Carolinas, LLC's Petition)	DUKE ENERGY CAROLINAS, LLC'S
For Extension of Time to File Integrated)	PETITION FOR AN ADDITIONAL
Resource Plan)	EXTENSION OF TIME TO FILE
)	INTEGRATED RESOURCE PLAN

Pursuant to Public Service Commission of South Carolina ("the Commission") Rule 103-825, Duke Energy Carolinas, LLC ("DEC"), petitions the Commission for an additional extension of time until October 15, 2013 to file its annual Integrated Resource Plan ("IRP").

In support thereof, DEC shows the following:

1. Pursuant to Order No. 98-151, issued by the Commission in Docket No. 87-223-E on February 25, 1998, DEC is required to file its annual Integrated Resource Plan ("IRP") by September 1 each year.

2. As discussed in the original motion, DEC is conducting additional modeling for its 2013 IRP Updates that should provide useful information for the Commission and others who are interested in the Company's resource planning. It is taking more time than anticipated to incorporate this work into the IRP.

3. DEC contends the benefits of the additional modeling should outweigh any potential harm caused by granting the Company additional time to file its IRP.

4. DEC submits that its requested further extension of time will not prejudice the Commission or any party's ability to investigate DEC's 2013 IRP and is necessary to enable DEC to provide a complete and accurate 2013 IRP.

WHEREFORE, Duke Energy Carolinas and Duke Energy Progress respectfully request that the Commission grant its motion for further extension of time through and including October 15, 2013, to file its 2013 IRP.

Respectfully submitted this the 23rd day of September, 2013.
